

ANNUARIO DEI MIGLIORI VINI ITALIANI 2020

Toscana

Chianti Riserva 2016

Consistency: 31 - Balance: 32 - Integrity: 30

Sensations: wine of exceptional palatal persuasiveness. Only the pulp of its delicate black cherry, not the bitter, tannic stone. A taste of impressive pleasure, of a wine of excellent thickness and limpid fragrance of aroma. High level oenology thanks to the clearness and oxidative turgor spread by its perfume and aroma. Among the most balanced Chianti of the year.
